DAN MORALES
ATTORNEY GENERAL

Mr. John Steiner
Division Chief
City of Austin
P.O. Box 1088
Austin, Texas 78767-1088

OR96-1594

Dear Mr. Steiner:

You ask whether certain information is subject to required public disclosure under chapter 552 of the Government Code. Your request was assigned ID# 101372.

The City of Austin (the "city") received a request for certain information regarding case number 96-0740924. You claim that the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claimed and have reviewed the documents at issue.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." This section encompasses information protected by other statutes. Section 261.201(a) of the Family Code provides:

(a) The following information is confidential, is not subject to public release under Chapter 552, Government Code, and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report;

(2) except as otherwise provided in this section, the files, reports, records, communications, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

The other provisions of section 261.201 do not appear to apply here. We are not aware of any rules promulgated by the city which permit the dissemination of this type of information. Accordingly, we agree that the requested information is made confidential by section 261.201 of the Family Code

and must be withheld from disclosure under section 552.101 of the Government Code. See Open Records Decision No. 440 (1986) (applying former Fam. Code § 34.08). As we resolve this matter under section 552.101, we need not address the applicability of section 552.108.

We are resolving this matter with an informal letter ruling rather than with a published open records decision. This ruling is limited to the particular records at issue under the facts presented to us in this request and should not be relied upon as a previous determination regarding any other records. If you have questions about this ruling, please contact our office.

Yours very truly,

Stacy E. Sallee
Assistant Attorney General
Open Records Division
